PROFESSIONAL SUMMARY

Motivated Full Stack Web Developer with hands-on experience in building responsive and scalable web applications using HTML, CSS, JavaScript, Node.js, Express.js, and MySQL. Developed a complete LMS platform with authentication, course management, mock tests, attendance tracking, and certificate generation. Passionate about backend development, UI design, and real-world project development.

EDUCATION

Shri Ramswaroop Memorial University
B.Tech - Computer Science and Engineering

2022 - 2025

Lucknow, Uttar Pradesh

Shri Ramswaroop Memorial University
Diploma in electrical engineering

2020 - 2022

Lucknow, Uttar Pradesh

COURSEWORK / SKILLS

- | | | | |
|--|-----------------------------|------------------|------------------|
| • Advanced Diploma in Computer Application | • JAVA / JAVASCRIPT | • BOOTSTRAP | • Gen AI |
| • HTML / CSS | • Python / Python Libraries | • SQL (Database) | • Advanced Excel |
| | | • Power BI | |

PROJECTS

EduPlatform - Full Stack LMS System [🔗](#) | [HTML](#), [CSS](#), [JavaScript](#), [Node.js](#), [Express.js](#), [MySQL](#)

- Developed a complete Learning Management System (LMS) with separate student, teacher, and admin dashboards.
- Implemented authentication system, course management, mock tests, attendance tracking, result management, and certificate generation.
- Built backend APIs using Node.js and Express.js with MySQL database integration for secure data handling.
- Designed responsive UI with dark mode, protected routes, toast notifications, and role-based access control.
- Integrated dynamic features like mock test system, course enrollment, and student performance tracking.
- [Live Demo](#)
